GUSHER
AT SALEM

R. T. Lowndes Drills in a Fine Producer
on the Hursey Farm in the Town
of Salem.

R. T. Lowndes' well on the Hursey
farm has been drilled in a sort of gusher.
It made 35 barrels the first thirty min-
utes, and is good for at least 100 barrels
a day without being shot. The well is
right in Salem, and has caused much ex-
citement. When shot, it will likely
make a much better producer. Mr.
Lowndes has considerable territory
around this well, which he will begin im-
mediately to develop.

CIRCUIT COURT
WILL TRY
HARRISON

Magistrate Riley Holds Benjamin Harri-
son for the Grand Jury for Malicious-
ly Destroying Property at
Model Saloon.

Benjamin Harrison was taken from the
county jail Saturday afternoon and given
trial for maliciously destroying property
at the Model saloon on Pike street, last
Saturday night. Harrison was ejected
from the saloon and he became madly
indignant over what he thought was
gross ill-treatment without just cause.
He wanted to get even, and after the
saloon had closed he came down the
street, picked up an empty beer keg and
smashed it through the front plate glass
window, breaking the costly glass and
otherwise destroying property in the
front of the saloon. Ben was promptly
nabbed and thrown in jail.

Harrison admitted his offense before
Magistrate Riley and the latter bound
him over to circuit court under bond of
\$300. The bond was not forthcoming and
Ben was sent over to the jail to await
until circuit court convenes.

ARRESTED FOR SEALING COAL

IN B. & O. RAILROAD YARDS.
Cecil McAtee was arrested Saturday
morning by B. & O. Policemen Powell
for sealing coal from the Baltimore &
Ohio railroad yards here Friday. He
was taken before Magistrate M. S. Riley,
from whose court a warrant had been
issued at the instance of the railroad po-
licemen, Saturday afternoon at 4 o'clock,
and as this issue of the Daily Telegram
goes to press he is standing trial for
petit larceny.

A warrant is out for another young
man for the same offense, and the of-
ficers are on the hunt for him.

MAJOR DANDRIDGE
BREAKS SHOULDER

Fell on Ice Pavement and Sustained
Painful Injuries.—X-Ray Exami-
nation Showed That Left Shoulder
Bone Was Broken.

P. P. Dandridge is a patient at the
Kessler hospital with a broken shoulder
bone. A few days ago he fell on the
ice pavement near the Traders building
and sustained severe injuries to his left
shoulder. He did not think the injury
was any more than a badly bruised arm,
but as his shoulder gave him much pain
and trouble, he went to the Kessler hos-
pital for an X-Ray examination. It was
found that the shoulder bone was broken.
The wound was properly dressed,
and he is now laid up in the hospital
waiting for it to mend.

Saved from Terrible Death.
The family of Mrs. M. L. Bobbitt, of
Bargerton, Tenn., saw her dying and
were powerless to save her. The most
skilled physicians and every remedy
used, failed, while consumption was
slowly but surely taking her life. In
this terrible hour D. King's New Dis-
covery for Consumption turned despair
into joy. The first bottle brought im-
mediate relief and its continued use com-
pletely cured her. It's the most certain
cure in the world for all throat and lung
troubles. Guaranteed bottles 50c and
\$1.00. Trial bottles free at Frank G.
Bland's drug store.

A Famous Remedy for Sick Headache.

tress in the stomach and the headache

Wonderful Nerve
Is displayed by many a man enduring
pains of accidental cuts, wounds, bruises,
burns, scalds, sore feet or stiff joints.
But there's no need for it. Bucklen's Ar-
nica Salve will kill the pain and cure the
trouble. It's the best salve on earth for

ICY RAILS DELAY TRAINS.

The New York and St. Louis express
train on the Baltimore & Ohio railroad,
No. 3, west bound, due at Clarksburg at
10:13 in the morning, was over three
hours late Saturday. The bad weather
causing icy rails was the cause of the
delay. The train arrived at 1:15 p. m.
and was sent on over the division with-
out mishap. The train on the Short
Line division was also late. Other trains
on all the divisions, as well as the main
branch, were late on account of the icy
rails.

WIDE RANGE

IN ESTIMATES MADE.

The estimates on the number of beans
in the jar in the Watts-Lambert store
are coming in from 1,400 to 16,000, show-
ing the wide range of judgment of the
people. But while there is such a dif-
ference in judgment, there is none as to
that burnt wood dressed and chair in the
front window, for every one is of one
opinion, and that is that these articles
are very choice and desirable. Then
again, the people have learned through the
Telegram that they are to be given
away the last of the month and for that
reason there is much interest taken in
both the jar of beans and the dresser
and chair.
